TO WHOME IT MAY CONCERN

We , Uniden Europe – liaison office of Uniden Corporation – Japan , hereby would like to inform the concerned parties that the following Uniden branded Citizen Band radio : Uniden PRO505XL is solely compliant with the FCC and USA / CANADA applicable regulations.

These Citizen Band radio Uniden PRO505XL is however not compliant with the applicable European regulations (EN norms and Safety requirements) and do not meet the R&TTE Directive defined by the European Commission.

We also confirm that the above mentioned radios , Uniden PRO505XL can not be modified so to meet the applicable R&TTE Directive, neither the European EMC and Safety regulations.

Yours Sincerely

Robert Lyssens
